How to Avoid Being Slammed

In order to avoid having your toll carrier changed without your consent, Calaveras Telephone Company can establish a Preferred Interexchange Carrier (PIC) freeze on your account. A PIC freeze prevents a change in your preferred carrier selection unless you give us your express consent to remove the freeze. The PIC restriction may be lifted by either written notice or Third Party Verification. No change of carrier can be made on your account until you lift the PIC freeze. The PIC freeze removal forms are available upon request. I hereby authorize Calaveras Telephone Company to place a PIC freeze on my account so that my choice of long distance carrier cannot be changed without my consent. IntraLATA Toll InterLATA Toll

By establishing an account and using the Service you agree to be bound by this Agreement. Amendments to this Agreement shall be automatically effective upon posting on the CalTel website. Your continued use of the Service following the posting of any amendment will indicate your acceptance to the amended terms and conditions. If any amendment to this Agreement is unacceptable to you, you may terminate your account as provided in Section 11 below. If you do not accept the terms and conditions of this Agreement, do not use the Service. CalTel cannot be responsible for, nor can we control the content or reliability of any information on the Internet itself. 1. BILLING POLICY: Customers are billed on the 1st of each month for the previous month of service payable upon receipt. Checks should be made payable to: CalTel. Accounts not paid in full are subject to a service interruption.

d. Use of robots, services, or any automated software or device to initiate an unattended connection to CalTel or to maintain an open unattended connection to CalTel is not allowed.
