Customer Proprietary Network Information

Calaveras Telephone Company & our affiliates strive to provide you with the latest in communication products and solutions. Use of the information on your current account such as the type, technical arrangement, quantity, destination, and amount of use of telecommunications services and related billing for these services, referred to as Customer Proprietary Network Information, or CPNI, will allow us to inform you about services that will best meet your specific telecommunications needs. May Calaveras Telephone Company & our affiliates use your CPNI to market communications-related products such as proposals/promotions, give-aways or new products and services to you?

Yes No

How to Avoid Being Slammed

In order to avoid having your toll carrier changed without your consent, Calaveras Telephone Company can establish a Preferred Interexchange Carrier (PIC) freeze on your account. A PIC freeze prevents a change in your preferred carrier selection unless you give us your express consent to remove the freeze. *The PIC restriction may be lifted by either written notice or Third Party Verification.* No change of carrier can be made on your account until you lift the PIC freeze. The PIC freeze removal forms are available upon request. I hereby authorize Calaveras Telephone Company to place a PIC freeze on my account so that my choice of long distance carrier cannot be changed without my consent.

- IntraLATA Toll (Toll calls made within your service area but outside of your local toll free calling area)
- InterLATA Toll (Long Distance Calls outside state and outside your service area)

The undersigned requests Calaveras Telephone Company to furnish telephone service and any additional services as may be ordered later. In making this application, the undersigned understands that telephone service and other additional services are provided subject to the rules and regulations of the telephone company as set forth in its tariffs on file with the California Public Utilities Commission and the Federal Communications Commission shall.
